Re: Millville Housing Authority – Closed Session on August 25, 2020 at 6:50 p.m.

1) Executive Director search – Arnold Robinson reported consultant placed ads and received 3 applications. Search committee will conduct screening interviews and committee will refer top two candidates to the Board for final interviews and selection vote.

2) Holly City Family Center

- Heather Santoro discussed need to enhance HCFC as a community center for benefit of residents but without depleting resources of MHA Central office

- Winfield Pettit discussed forming a committee of Board members to explore revenue sources for community services.

- Jaclyn Haas-Benner discussed need to know what members want from HCFC to better inform plans for the future and suggests sending out surveys. Also suggests surveying the community at large for what they would like.

- Heather Santoro asked Winfield Pettit and Jaclyn Haas-Benner to serve on that committee. She also suggested Andrea Vanaman and Tony Poliari join the committee to give impact. Also discussed coordinating with the Millville Public Library which also wants to expand community services.
